

Draft Agenda
Phenix City Schools
2nd meeting
December 8, 2004

Review notes and discussion from 10/26/04 mtg - Share Obstacles and Needs from Education Stakeholder Community

Review concept of the Integrated Stakeholder Approach (use attached presentation) and intent to develop plan for sustainability

Identify other Stakeholders present – i.e. business, industry, media, medical, higher ed, etc.

Identify and discuss their needs and challenges in workforce development from the k-12 environment

Consider who is NOT present and identify who and how to get that stakeholder involved...assign that action item to an individual or a team

i.e. Chamber of Commerce contacts/presentations (we can help with those)

Review the Draft Vision, Mission Goals and Strategies from the Huntsville Forum

Adopt, redefine, revise and/or recreate your own

Discuss the process for creating the **Phenix City MST Collaborative Roadmap to Success**
